

Declaration of Commitment

We hereby declare the importance of a free, fair and fair adjudication process based on the principles of free competition that excludes any form of abuse. Respecting this principle, we have not offered, granted or accepted improper advantages to public employees or other persons within the framework of our offer, directly or indirectly, nor will we offer, grant or accept such incentives or conditions in the course of this process of tender or, in the case of being awarded the contract, in the subsequent execution of the contract. We also ensure that there is no conflict of interest within the meaning of the corresponding Guidelines¹.

We also declare the importance of respecting compliance with social and environmental standards in the execution of the project. We commit ourselves to respect the applicable labor law norms and the fundamental labor norms of the International Labor Organization (ILO) as well as the applicable national and international standards with respect to the environment and occupational health and safety.

We assure that we will inform our employees about their respective obligations and about the obligation to respect this commitment as well as the obligation to respect the laws of the Country.

We also declare that I / we / no member of the company / I consortium is neither on the list of sanctions of the United Nations, nor of the European Union, nor of the German government, nor on any other list of sanctions, and we assure that we / all members of the company / consortium will give immediate notice to the Employer and KfW if this is the case at a later time.

We accept that if we were included (or a member of the company / consortium were included) in a list of legally binding sanctions for the Contracting Party and / or for KfW, the Contracting Party will have the right to exclude us / exclude the company / consortium of the award process and / or, in the event of a contract, you will have the right to terminate the contract immediately, if the information provided in the Declaration of Commitment was objectively false or if the cause of exclusion occurs at a later time, then of the delivery of the Declaration of Commitment.
